- 6:30 Welcome/ Convocation
Dinner
Live Auction
Catalyst for Change Awards
- 8:50 Benediction and auction results

NATIONAL HONOREE - JEROME BETTIS

Jerome Bettis is an icon in Pittsburgh. A future hall of famer, "The Bus" is well known for his football stories and records. He played college football at Notre Dame and was drafted by the Los Angeles Rams, but it's in Pittsburgh that he's made his home on the field and off. With The Bus Stops Here Foundation, Jerome has helped kids and families in need by offering counseling, mentoring, computer training and the opportunity to participate in organized sports. Because of his passion for improving the quality of life for youth in need, Jerome Bettis is our National Honoree.

LOCAL HONOREES - PAUL & PAT LINGLE

The name Lingle is synonymous with leadership and success, with commitment and community involvement. Paul and Pat Lingle live their message with passion: Give back to your community – boost your neighbors – now and forever. They continue to champion many causes for the benefit their community and specialize in giving young people what they need to be tomorrow's leaders. Now Paul & Pat have issued the challenge to help Wernle in its \$10 million Community of Hope campaign with a major donation and continue to be Catalyst's 4 Change in our community.

REGIONAL HONOREES - GARY & CONNIE SHARPE

Gary and Connie Sharpe think constantly about making a difference - doing things that put troubled young people over the top on their journey to a better life. They have made a difference with hundreds of young people. They have done it without fanfare. With their company, Health Care Logistics, they specialize in unique items that deliver solutions to their customers' challenges. Their giving is a mirror image of their business model: focus on solutions that make things better for kids. We're proud to have them as our Regional Honorees.

PHILANTHROPIST HONOREES - DEL & ANN HARRIS

They call Del the white-haired wizard of excellence. Del Harris has found a world of success in coaching basketball from Earlham to China to top teams in the NBA. And he and Ann are caring benefactors for the causes of troubled kids. The Del and Ann Harris Foundation has donated scholarships and contributed to missions and other causes for more than a decade. They have left an indelible mark on Wernle with their generous gifts, their talents and their organizational excellence. They continue to do so every day, and we're delighted to honor them as Catalysts 4 Change.

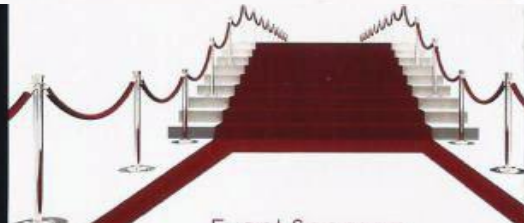

ALUMNI HONOREE - JACQUELINE BELL

Jacqueline epitomizes the spirit of Wernle. To love. To heal. To educate... to never give up on pointing young people in positive directions. Jacqueline was a Wernle resident late in the 1970's. She was loved, healed and educated. She came here wounded and abandoned and left a dedicated believer in our mission. She's one of Wernle's biggest advocates. She moved her family to the community that had become her home and today she and all of her children have graduated from college or are on pace to graduate. We proudly salute our Alumni Catalyst 4 Change.

Wernle's Mission Statement

Wernle is a family focused, child centered agency providing opportunities for the growth and development of troubled children and their families—individually, interpersonally, and socially—through caring programs and healing relationships which are reflective of God's love revealed in Jesus Christ.
